

## SUGGESTED LODGING IN BOULDER, COLORADO

**Boulder is a small city surrounded by open space, and bounded by the Rocky Mountains on the West side. A car will be essential at some locations and/or to navigate to restaurants / downtown area (Pearl Street Mall) and some of the local scenery. There is a shuttle service from Denver International Airport that will take you to and from your hotel. You may want to book early, as Boulder is a tourist destination, and there are times of the year when hotels are full and rates are significantly higher.**

**There are eleven (11) hotels / twelve (12) motels or lodges / 3 Bed & Breakfasts in Boulder itself (additional ones are in Louisville, about 15 minutes drive east). We have not listed all of the accommodations, but have given you a range, showing a good selection of price and convenience.**
